Teachers: Gary Douglas  
Mike Hedrick

## JOLT (aka: Jesus Our Lord and Teacher)

Students meet together with guys and girls their own age in a small group environment where it is safe to share, ask questions, and simply “do life” as a family throughout the year. JOLT is intended to be relational, but like all relationships, they only work if we’re all invested...You will get out of it what you put into it. In the process, you will find a great place to grow in your faith while growing in relationship with others! You will receive information from your leader about time and place.

## Lunch Bunch

Thursdays in Lynn Hall---ALL MHS STUDENTS are welcome for great fellowship AND pizza, a cookie, and a drink all for \$4!!!

All Non-MHS Students watch for monthly invitations about your Lunch Bunch.

## Confirmation

9th grade students as well as any high school students who have not gone through Confirmation before will meet each week to learn about your faith and church. Sunday, September 11 is orientation at 6:00 in Lynn Hall. For more info call Shannon Weisenfels, 684-7821.

## Monthly

### Fellowship

The first Sunday of each month we will get together to play! Bowling, football, games, movies, scavenger hunt, flash light tag – it could be just about anything!!!! It is a great time to hang out together!!!! Watch for details each month!!

### Mission Projects

While mission trips are great for getting us outside the normal, it is extremely important for us to remember that there are lots of opportunities to be a part of what God is doing in missions right here in West Texas! Come join us every month as we partner with different mission efforts closer to home and just as critical!!!
